

# NORTHERN WYOMING TROPHY ELK

## MONSTER COWBOY STATE BULLS

This hunt is done in extremely rugged and remote terrain in the Bighorn Mountains of northern Wyoming. The rifle season runs October 15- November 15 each fall. Hunters hike in and hunt via spot n stalk every day, no horseback riding required. We have a 100% opportunity rate on mature bulls for hunters who are in good condition and able to hike and hunt. 320-340 B&C class bulls common and 350-400 class bulls possible. This is a limited draw unit and on average it takes three points to draw the elk license for this area but hunters with as few as two points have drawn recently. All hunters are guided 1x1 to maximize trophy potential and success rate. Call our office for more information on this amazing hunt!

**Five Day Rifle Elk Hunt \$7,500.00 + License Fees**  
(Hunters who book this with our office will receive free license application services to obtain this license)
