

BRITISH COLUMBIA MOUNTAIN GOAT

Horseback Hunting Adventure

British Columbia is the top producing location for mountain goats. Our clients have guaranteed tags based on limited allocations in exclusive concessions throughout the province. We offer these hunts from September 1st through November 20th out of three different horseback areas. Our clients have always had close to 100% opportunity on mature mountain goats and we have taken several record book animals over the last few years. Combination hunts with moose, elk, and mule deer are available in some areas where the seasons overlap. Please contact our office for more details on these excellent hunts.

B.C. Mt Goat Hunt \$11,950.00
(Does not include license, tag, or tax)
