

# BIGHORN SHEEP

## Finish the Grand Slam!

To finish a Grand Slam of rams you have to take either a Rocky Mountain or California Bighorn Sheep. We offer both hunts and consult our clients on their options to help them find what is in their best interest. We offer outfitted hunts with guaranteed tags for California Bighorn sheep in British Columbia as well as guides in the western states for hunters who either draw a coveted tag or purchase an auction tag. If your interested in hunting for a bighorn sheep please contact our office for more details and information about these phenomenal hunts.
