

DESERT SHEEP

GUARANTEED SHOT AT A RAM

We hunt the desert bighorn sheep on the Baja Peninsula of Mexico. It is a cartel free area without violence and you can be assured of safe travel to your hunting area. This area is home to the "Weemsi" sub species of desert sheep which flourish in the perfect habitat of the La Giganta and El Muchudo Mountains. We get a limited number of permits here each season and book hunters on ten day hunts all inclusive of hunting license, gun permits, etc... Hunters are guaranteed a shot at a legal ram or they can return at no additional hunting cost. Call our office for more details on this awesome hunt.
