

NORTHWEST TERRITORIES DALL SHEEP

100% Success Rate for SOA Clients!

While we do offer some limited dall sheep hunting opportunities in Alaska - we recommend that everyone hunt in one of the NWT sheep areas where we book our clients. In the NWT there is little to no resident hunting pressure, exclusive guide territories, and incredible sheep populations. Our success rate over the years proves that the NWT is THE PLACE to hunt dall sheep. We will work with you to customize a hunting package that fits your needs on an individual basis. We offer horseback access as well as helicopter access hunting packages. Please call our office for more information on these world class sheep hunts.
